

## TOP 10 REASONS TO STEP IN TO SLCC

1

### TRANSFERABLE CREDIT

Breathe easier knowing your credits from core requirements at SLCC will transfer when you're ready to move on to a four-year university.

2

### AFFORDABILITY

You will get the best higher education value in Utah at SLCC, where tuition is more affordable than any other Utah institution. Students can save up to \$6,000 and finish six months sooner by starting at SLCC.

You may want to seek the help of a financial aid advisor to see if you're eligible for one of many financial aid options, including scholarships and tuition waivers.

3

### CONVENIENCE

With multiple locations in the Salt Lake valley, there is a SLCC campus near your home or work. Attend traditional classrooms or take classes any day or night online from the comfort of your home.

4

### QUALITY

You want small classes with personalized attention. An average class size of 20 means you will have the opportunity to work closely with your instructors.

5

### FLEXIBILITY

Many SLCC students have jobs, families, and active lives and need to schedule classes at times that work for them. Classes at SLCC start as early as 6:30 a.m. and as late as 8:30 p.m.

6

### CHOICE

You can choose from more than 120 areas of study. Explore your options. There are people and resources to help you find your best pathway.

7

#### REAL JOB SKILLS

Start out with confidence knowing you'll have top-notch technical skills training that will prepare you to meet employers' current needs.

8

#### DEDICATED FACULTY

SLCC takes great pride in having highly qualified and engaged faculty who will help you learn and succeed.

9

#### SUPPORTIVE ACADEMIC AND CAREER ADVISORS

You are not alone. SLCC's advisors will work with you to create your educational plan and achieve your career goals.

10

#### ACADEMIC SUPPORT IN MATH AND ENGLISH BASICS

A little rusty in a few areas? SLCC Developmental Education programs will get you up to speed.
